

Miller Place School District
7 Memorial Drive
Miller Place, NY 11764

Dear Dr. Higuera:

This is my formal notification that I am resigning from Miller Place School District as a secondary education mathematics teacher due to personal reasons. Today will be my last day of employment, however, being short notice I would like to extend my services to your district until you are able to find my replacement.

I appreciate the opportunities I have been given here, as I have enjoyed every moment with the faculty, administration and more importantly, the student body. I wish you much success in the future in your new position.

Sincerely,

John Balzarini
